Dear Colleagues,

Please take a moment to read through the information below. This memo includes all the most critical information for your hourly student employees as we go into the spring semester.

**RESOURCES FOR NEW Hires**

If you have any new students coming on board with your department this semester, be sure to start them off on the right foot with a great office orientation! For supervisors, we have a Student Employee Orientation Checklist that lists off everything you’ll want to discuss on your new student employee’s first day of work. We also recommend sending your students our New Student Hire Checklist which includes everything they need to do including completing tax elections and the I-9, direct deposit, and more.

For more information on student employment policies and procedures, please review the Student Employee Handbook.

**TIMESHEETS AND PAYSLEIPS**

Starting a new semester with new students can be hectic so we ask that you check the Payroll Calendar to ensure that all timesheets are collected, entered, and approved on time! If your department will be using Time Tracking in GMS for the first time, feel free to reach out to SEO Staff with any questions you have before making the switch!

We also ask that you encourage your students to sign up for Direct Deposit in GMS. We have quick instructions on signing up for Direct Deposit for students in the New Student Hire Checklist.

**THE I-9 OFFICE**

If you are hiring additional student workers, please make sure they fill out an I-9 form on or before their first day of employment. Please check the I-9 website for location and hours of operation. International employees, please make an appointment with the I-9 analyst by emailing i-9@georgetown.edu
**Transfers & Additional Jobs**
As a reminder to HR Contacts and Main Campus Department Administrators, it is the responsibility of the inbound department to confirm transfers with the outbound department; checking with the student is not sufficient. Coordination of the transfer must be completed before it is submitted. Please confirm that the correct effective date is being used and that the student has been paid out for all hours worked for the outbound department. This must be indicated on the Hoya Hiring Form by initialing and filling out the “Transfer Information: for Transfers ONLY” section.

Prior to submitting an additional job request, please confirm with the primary department that the student is still working. If the student is no longer working for his/her primary department, a transfer must be processed instead.

**Policy Reminders**
Per the Fair Labor Standards Act, all undergraduate students must be paid hourly. Students must record their hours worked on a time sheet and include time in and time out. Undergraduate students are not permitted to be paid a “lump sum” or flat amount. There are no exceptions. Departments are required to pay their student employees promptly.

Hourly student employees who work at least four hours but less than eight hours per day are entitled to one paid fifteen minute rest period. Hourly student employees who work eight or more hours per day are required to take two paid fifteen minute rest periods and one unpaid thirty minute lunch period. A department may extend the lunch period by combining it with the rest periods.

**Minimum Wage 2017**
The minimum wage will be increasing again this coming summer. As of July 1, 2017 the DC minimum wage will be $12.50 hourly. Official communication about the minimum wage increase will be sent from the Department of Human Resources in the coming weeks.

Thank you for your time, attention, and continued support. If you have any questions, please do not hesitate to contact the Student Employment Office.

Best wishes for the new semester!

Sincerely,

The Student Employment Office

Amri Rouson, Assistant Director
